Re: *Documents related to our client's purchase of Pour Vilar from Artcurial*

Dear Ms. Marotta:

I represent Robert Preslier and I write with respect to his purchase of a Calder sculpture—Pour Vilar—from Artcurial. As you may be aware from a letter sent by his French counsel on June 17, 2019, we are currently in a dispute with Artcurial in connection with their sale of Pour Vilar to Mr. Preslier, at an auction, in May 2010. We believe that Artcurial misrepresented the date the sculpture was created in connection with that sale. We write because we have questions concerning our dispute with Artcurial, and we believe that you are best suited to provide documents and information with respect to these matters. We hope that you will voluntarily provide information. If you do not voluntarily cooperate, we would need to file an application with the United States District Court for the Southern District of New York to obtain a subpoena for the documents we seek. Your voluntary compliance is appreciated.

We request the following documents:

1. Any documents and communications between the Calder Foundation and Artcurial about Pour Vilar.
2. Any documents and communications reflecting the archive number of Pour Vilar.
3. Any communications between the Calder Foundation and any other parties (including but not limited to Artcurial), regarding the creation date of Pour Vilar.
4. We understand that you dated the creation of Pour Vilar to 1965 in your 2017 communications with Christie's. Please provide all documents and communications between the Calder Foundation and Christie's about Pour Vilar, including but not limited to those that relate to the date of creation and provenance.

We respectfully request your response to these queries by no later than December 18, 2019, so as to avoid the need for filing any court action. Please reach out to me at 212-227-4743, or zgelber@gelbersantillo.com to discuss. This letter is without waiver of any rights.

Very truly yours,

A handwritten signature in cursive script that reads "R. Zachary Gelber".
